I have attended this church for almost 10 years. It is the only one that I've ever found that can and will prove everything they teach through both the bible and history. They teach the truth and leave it up to the individual to decide for themselves how to follow their faith, as God does, since that decision is between you and Him. It is a wonderful spiritual family to belong to!

**I don't think it's cult.**

I've been one of WMSCOG last year because one of my friend invited me. I was very impressive with all members' warm welcoming and smiles, however some other friends told me church of god is a cult and rumors about it.

When I strongly persuade my friend who is a member of it to stop going there, he introduced me a site and told me to read articles. You can find the site easily by googling wmscog. It will be on 1st page and 1st line like this; wmscog.org

The articles in the site totally makes sense to me. I've come to know church of god only follows the Bible. now I am planning to revisit there with my friend to study the Bible in details.

### Elohim God, Christ Ahnsahngong and God the Mother

WMSCOG believes in Elohim God. The bible testifies about Elohim God undoubtedly! As you see, God has two images(Gen 1:27).The bible clearly says that God the Father exists(Mt6:9).Do you agree that without mother a man can be called father?? Maybe, not!!Then, the teaching of God the Father tells us the existence of God the Mother!!! Gal 4:26[But the Jerusalem that is above is free, and she is our mother.]You can find this in every bible!Surely, God the Mother exists, and give us spiritual life(Rev22:17).So those who deny the existence of God the Mother deny the bible,that is, deny God Almighty!You can learn more about Elohim God in <http://www.wmscog.org> !!

### Avoid this religious cult!!!

This "church" believes that a dead Korean man and a living Korean woman are "gods". They destroy families. Please avoid this place at all costs. Members are going door to door and will try to recruit new members in shopping malls, college campuses, events that they sponsor. They will ask you if you have ever heard of a "mother god". They also have a location at 305 Godwin Avenue in Ridgewood, NJ. Beware! Go to [examiningthewmscog.com](http://examiningthewmscog.com) for more info.

I would like to expose the inconsistencies between what the World Mission Society Church of God says and what they report to the IRS. Attached is the first page of the WMSCOG California's application for tax exempt status or form 1023. Click on this link in order to fill out your own request for the 1023 that the WMSCOG filed in 1999:

[www.irs.gov]

The IRS will send you a copy free of charge, but be patient because it takes approx 2 months to come in the mail. Please note the Employer Identification Number in the upper right corner when requesting a copy from the IRS.

I will point out inconsistencies from their 1023 in the next few posts. (I can attach only one jpg at a time).

THE WORLD MISSION SOCIETY CHURCH OF GOD LIES ABOUT HOW THEIR CHURCH WAS FOUNDED ON THEIR APPLICATION FOR TAX EXEMPT STATUS!

Included in the World Mission Society Church of God Bylaws submitted to the IRS as part of their application for tax exempt status, in information regarding membership to their organization.

First, according to their bylaws, there are two types of membership (see attachment 1):

"Active Member. One to agrees to the purpose of the church and joins it."  
"Honorary Member. One who made a special contribution to the Church or one with knowledge and experience as recommended by the society...One who wishes to join the society shall apply by submitting a certain form for approval."

I would assume that the active member is one who is baptized and agrees to follow all of the regulations of the church (passover, sabbath, etc).  
But who are the honorary members? What kind of "special contribution" does one have to make in order to receive this "honorary membership". Does salvation come with this kind of membership too?

Second, according to Section 6 of their bylaws, members must pay dues.

Are these the tithes? or freewill offerings? Interesting how they choose to include a no refund policy.  
The worst part is that in Section 7 the WMSCOG admits that members will be "withdrawn" if they have not paid their membership dues for longer than a year for no good reason. If you ask WMSCOG members if they are required to pay certain amounts to the church, do they admit it? Do they admit that they kick members out for not paying?! The WMSCOG also kicks people out for "damaging the reputation" of the Church. That means that even if you say something negative about the WMSCOG, even if it's true, you get kicked out.

The WMSCOG seems to go to great lengths to protect their image. Yet another characteristic of a destructive mind control cult.

Note the attached file. Refer to the 3rd question down that asks, "Does the organization control or is it controlled by any other organization?". The WMSCOG checked off "NO". The WMSCOG locations are NOT independent and are all controlled by the main location in Seoul, S. Korea. Why would they answer "NO" to this question?

The next question asks, "Is the organization the outgrowth of (or successor to) another organization, or does it have a special relationship to another organization by reason of interlocking directorates or other factors?". Again, the WMSCOG answers "NO". In the application for tax exempt status for the California location, the WMSCOG states that the "founding father" of the organization is Joo Cheol Kim. Yet the WMSCOG denies that they have any relationship to another organization despite having a clear connection to the WMSCOG in California. Why?

See the 2nd attached file. The "higher ups" of the World Mission Society Church of God have a clear connection to the "higher ups" of a company called Big Shine Worldwide, Inc. Big Shine Worldwide, Inc is a multi-million dollar electronics company that is owned by Dong IL Lee, aka pastor Daniel Lee of the Ridgewood, NJ WMSCOG location. Here is the website:

[[www.bigshine.com](http://www.bigshine.com)]

The 2nd file I attached is the business status report for Big Shine Worldwide Chicago. Note that the secretary of Big Shine Worldwide, Inc is none other than Jae Hoon Lee, aka pastor Jacob Lee, of the WMSCOG in Bloomindale, IL. I believe that he is the pastor for the Naperville, IL location these days.

I will explore further connections between the WMSCOG and Big Shine Worldwide, Inc in the next few posts.

I have included the business entity status report for NJ so that you may confirm that Dong IL Lee is in fact the owner of Big Shine Worldwide in NJ as well.

Why such a strong connection to a Big Shine Worldwide? Why is this information kept a secret? It just so happens that Big Shine Worldwide, Inc has branches in many

Note the Founding Directors listed the Bylaws that the WMSCOG submitted with their application for tax exempt status.

Joo Cheol Kim (President)  
Hoon Jae Lee or Jacob Lee (Executive Director) \*\*\*\*also secretary of Big Shine Worldwide Chicago  
Joung Wook Kang  
Dong IL Lee or Daniel Lee (Director) \*\*\*\*also CEO of Big Shine Worldwide, Inc.  
Kwang Min Park (Director)  
Jae Ho Lee (Auditor)

I have included the business entity status report for NJ so that you may confirm that Dong IL Lee is in fact the owner of Big Shine Worldwide in NJ as well.

Why such a strong connection to a Big Shine Worldwide? Why is this information kept a secret? It just so happens that Big Shine Worldwide, Inc has branches in many countries that the WMSCOG also has locations like Australia, UK, Canada, Malaysia, and S. Korea of course. Check it out on the bigshine.com/worldwide website.

The World Mission Society Church of God tells its members that none of the pastors, missionaries, deacons, etc get paid. Then why does the WMSCOG tell the IRS that they planned to pay their pastor \$1000.00 per month starting in 2001??? That doesn't make sense. Did the WMSCOG pay their pastors before and then all of the sudden stop paying them? Wait, that doesn't make sense either. Why does the WMSCOG tell the IRS that their pastor will be paid, and then tell its member that no one gets paid?

Any WMSCOG member/official willing to explain? I won't hold my breath.

Coming soon...what does the WMSCOG tell the IRS about it's requirements for membership?

I would like to expose the inconsistencies between what the World Mission Society Church of God says and what they report to the IRS. Attached is the first page of the WMSCOG California's application for tax exempt status or form 1023. Click on this link in order to fill out your own request for the 1023 that the WMSCOG filed in 1999:

[www.irs.gov]

The IRS will send you a copy free of charge, but be patient because it takes approx 2 months to come in the mail. Please note the Employer Identification Number in the upper right corner when requesting a copy from the IRS.

I will point out inconsistencies from their 1023 in the next few posts. (I can attach only one jpg at a time).

THE WORLD MISSION SOCIETY CHURCH OF GOD LIES ABOUT HOW THEIR CHURCH WAS FOUNDED ON THEIR APPLICATION FOR TAX EXEMPT STATUS!

When asked for a brief explanation of the history of how the WMSCOG was formed, the WMSCOG responded:

"The World Mission Society Church of God, was founded by the founding father, Pastor Joo Cheol Kim in or about 1998 as a result of a divine revelation from God. Pastor Kim had a message from God commanding him to preach the word of the living God to "all the world". In the vision he was told to keep the faith of the holy apostles of Jesus Christ and to bring the message of God to all of mankind."

THERE IS ABSOLUTELY NO MENTION OF AHNSAHNGHONG!!! Why would they tell a different story on their application for tax exempt status? If they believe that Ahnsahnghong is God, how is this not a slap in the face? There is also no mention of Zhang Gil Jah! Apparently they aren't even sure as to when Joo Cheol Kim has this "divine revelation" because they state "in or about 1998". Really?!!! What happened to Ahnsahnghong establishing the church in 1964?!!! This doesn't make any sense. So "god's church" lies to the IRS on their application for tax exempt status? Shouldn't the "mother god" have stopped them from doing this? If she is "god" then she should be fully aware of the false statements they made right? Why doesn't the "mother god" make them file an amendment to correct the history of their own organization? This just doesn't make any sense. I would like to see the WMSCOG respond and attempt to rationalize this. More to come on this application.

Attached is another pic of the page that asks if the World Mission Society Church of God will license or ordain ministers and what the requirements will be. Here is the WMSCOG's response:

"Must be baptized in the name of Jesus Christ. Must study the Bible for six months intensely. Must experienced Gospel Ministry for 3 years and attended worship for at least one year."

BAPTIZED IN THE NAME OF JESUS CHRIST?!!! Why no mention of the requirement to be baptized in the name of Ahnsahnghong?!!! Another slap in the face for their "god". Why would the WMSCOG deny their belief that people need to be baptized in the name of Ahnsahnghong in order to be saved? The WMSCOG believes that a person must celebrate the Passover in order to receive salvation from God and baptism is a pre-requisite to the Passover.

More to follow...

Note the attached file. Refer to the 3rd question down that asks, "Does the organization control or is it controlled by any other organization?". The WMSCOG checked off "NO". The WMSCOG locations are NOT independent and are all controlled by the main location in Seoul, S. Korea. Why would they answer "NO" to this question?

The next question asks, "Is the organization the outgrowth of (or successor to) another organization, or does it have a special relationship to another organization by reason of interlocking directorates or other factors?". Again, the WMSCOG answers "NO". In the application for tax exempt status for the California location, the WMSCOG states that the "founding father" of the organization is Joo Cheol Kim. Yet the WMSCOG denies that they have any relationship to another organization despite having a clear connection to the WMSCOG in California. Why?

See the 2nd attached file. The "higher ups" of the World Mission Society Church of God have a clear connection to the "higher ups" of a company called Big Shine Worldwide, Inc. Big Shine Worldwide, Inc is a multi-million dollar electronics company that is owned by Dong IL Lee, aka pastor Daniel Lee of the Ridgewood, NJ WMSCOG location. Here is the website:

[[www.bigshine.com](http://www.bigshine.com)]

The 2nd file I attached is the business status report for Big Shine Worldwide Chicago. Note that the secretary of Big Shine Worldwide, Inc is none other than Jae Hoon Lee, aka pastor Jacob Lee, of the WMSCOG in Bloomindale, IL. I believe that he is the pastor for the Naperville, IL location these days.

I will explore further connections between the WMSCOG and Big Shine Worldwide, Inc in the next few posts.

I have decided to post the inconsistencies in the 1023 Application for tax exempt status that the World Mission Society Church of God filed for Bloomingdale Illinois in 2000. Remember that you can get a copy of the entire document by going to [www.irs.gov](http://www.irs.gov) and filling out form 4506-A.

Attached is the cover page. Note that the general pastor Joo Cheol Kim is listed as well as Hoon Jae Lee, known to WMSCOG Illinois members as pastor Jacob Lee. Note that the EIN (Employer Identification Number) is different than the EIN for California. Why would they use a different EIN if they are part of the same organization? If they have two different tax ID #'s or EINs, then they appear to be two separate organizations to the Internal Revenue Service. Is this an attempt to minimize the appearance of their growth and remain under the IRS's radar?

I will address each inconsistency separately because the jpg file is too large to attach more than one to each post.
